## **Suddenly**

## **Billy Ocean**

I used to think that love was just a fairy tale until that first hello, until that first smile but if i had to do it all again I wouldn't change a thing 'cause this love is everlastingSuddenly, life has new meaning to me there's beauty up above and things we never take notice of You wake up, and suddenly you're in love ooh yeahGirl your everything a man could want and more one thousand words are not enough to say what i feel inside holding hands as we walk along the shore never felt like this before now your all I'm living forSuddenly, life has new meaning to me there's beauty up above and things we never take notice of You wake up, and suddenly you're in love Each day I pray, this love affair would last forever oh hoh suddenly, Life has new meaning to me there's beauty up above and things we never take notice of You wake up, suddenly you're in love ooh there's beauty up above and things we never take notice of You wake up, suddenly your in love
