

Nobody's Listening

LINKIN PARK

Coming at you
Yo, peep the style and the kids checking for it
The number one question is how could you ignore it
We drop right back in the cut over basement tracks
With raps that got you backing this up like
Rewind that we're just rolling with the rhythm
Rise from the ashes of stylistic division
With these non-stop lyrics of life living
Not to be forgotten but still unforgiven
But in the meantime there are those who wanna talk this and that
So I suppose that it gets to a point where feelings gotta get hurt
And get dirty with the people spreading the dirt
It goes
Tried to give you warning
But everyone ignores me
Told you everything loud and clear
But nobody's listening
Called to you so clearly
But you don't want to hear me
Told you everything loud and clear But nobody's listening
I got a heart full of pain
Head full of stress
Head full of anger
Held in my chest
And everything left's a waste of time
I hate my rhymes, but hate everyone else's more
I'm riding on the back of this pressure
Guessing that it's better I can't keep myself together
Because all of this stress gave me something to write on
The pain gave me something I could set my sights on
Never forget the blood sweat and tears
The uphill struggle over years the fear and
Trash talking and the people it was to And the people that started it just like you
Tried to give you warning
But everyone ignores me
Told you everything loud and clear
But nobody's listening
Called to you so clearly
But you don't want to hear me
Told you everything loud and clear But nobody's listening
I got a heart full of pain
Head full of stress

Head full of anger
Held in my chest
Uphill struggle
Blood sweat and tears
Nothing to gain Everything to fear
Heart full of pain
Head full of stress
Head full of anger
Held in my chest
Uphill struggle
Blood sweat and tears
Nothing to gain Everything to fear
Heart full of pain Heart full of pain
Tried to give you warning
But everyone ignores me
Told you everything loud and clear
But nobody's listening
Called to you so clearly
But you don't want to hear me
Told you everything loud and clear But nobody's listening
I got a heart full of pain
Head full of stress
Nobody's listening
Head full of anger
Held in my chest
Nobody's listening
Uphill struggle
Blood sweat n tears
Nobody's listening
Nothing to gain
Everything to fear
Nobody's listening
