Kelly price f/ jd & da brat Uh uh uh so so def  
Cross us, you know not (so so def)(come on, clap yo hands)  
'cause I'm full time here dough spot (come on, come on, come on, come  
On)  
Full time blow spot ain't gone stop (come on, clap yo hands)  
Keepin tha flow locked (come on, come on, come on, come on)  
Keepin tha flow locked  
Come on I got a secret in my heart  
And baby it's tearin me apart  
'cause I want the world to understand  
That I love you and you are my man  
Baby we know that we belong  
A love that is real just can't be wrong  
Can't keep it inside for very long  
This love is too strong So ready or not here I come (oh come on)  
I got a secret that I want you to know, baby yeah  
I can't hide what I feel inside  
Boy it's killing me baby  
So why can't they see that i  
I can't hide what I feel inside  
Everyone should know  
So just let it show baby Boy I feel it's time to let it go  
We stayed on the hush, we kept it low  
But I need to let my feelins show  
I can't take it no more  
So ready or not here I come  
I got a secret that I want you to know, baby baby  
I can't hide what I feel inside  
Boy it's killing me baby  
So why can't they see that i  
I can't hide what I feel inside  
Everyone should know  
So just let it show baby I'm yours (I'm yours)  
I belong to you and (I'm yours and I)  
You're mine  
You belong to me (the world should know you're mine)  
Why can't they see (why can't they see)  
It's killin me (yeah yeah)  
Oh baby, I can't keep it secret I must release this  
We can't keep it a secret  
F\*\*kin hush hush  
Need you in my life to complete it

'cause ain't nobody like us together  
Let's grow old together  
We never fold through whatever we roll, believe it  
When you get mad I'm heated I want the world to see it  
When you happy my purpose never defeated  
You got me  
Walkin round, helpless, with no hope  
I'm high off you  
Selfish with mah dough  
Lord pictured a vision of me and you  
It'll never be anotha lova like boo boo, let's show 'em  
Ignore whatchya home boyz say  
They ain't knowin how we be keepin' it quiet long enough  
What I feel inside strong enough to bust  
Open the heart of tha hardest thug  
Hop on this woodie when he need love  
Can't hide, they see me shine when I ride this  
Blow they inquirin' minds, it's you and I boy I can't hide what I feel inside  
Boy it's killing me baby  
So why can't they see that i  
I can't hide what I feel inside  
Everyone should know  
So just let it show baby I can't hide what I feel inside (y'all know how we do over here. y'all  
Know how we do over here)  
Boy it's killing me baby (y'all know how we do over here)  
So why can't they see that i (y'all know how we do over here)  
I can't hide what I feel inside  
Everyone should know  
So just let it show baby
