Baby you and maybe you
Need to come back to the naked room
Whip it, whip, get with it
I'll open you up like a Baby Ruth
She's getting ripped, she's getting striped
Swimming in a funk
I watch her skinny dip
You wanna feel ill, wanna get real
Wanna pop a pill feel out of control

That N2O And cloud 9 is somewhere down below Get on my level, look at the light show

Wanna know what I'm into though

You lay back in the way back of the Maybach or lay back on the Lazy Boy You can pay me back with a BJ in the 'Lac here enjoy!

She's all about it, she's getting rowdy She like to party! So whip it shawty! [Hook]

You gotta charge, I gotta charge!
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
You gotta charge, I gotta charge

Whip it real hard, whip it, whip it real hard Whip it real hard, whip it, whip it real hard Whip it real hard, whip it, whip it real hard

[3rd Verse]

Crazy youth, yeah, that trashy life
I'm getting high, I'm in my after life
Rock star no holds barred
Got new hoes sitting in old cars
And I'm feeling like the world is mine
Arms wide open
One country at a time, middle fingers up

One country at a time, middle fingers up F-ck critics, nitrous in a bottle

Bitch whip it!

[Hook]

You gotta charge, I gotta charge!
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
You gotta charge, I gotta charge
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
Whip it real hard, whip it, whip it real hard
