## **Bread**

## **Clem Snide**

'Coz you are the bread And it's never work And warm, buttered is good Oh, let's just digestAnd the dishes are fine They're not goin' nowhere So keep your hands soft For high fives and shakesAnd the bathroom's a mess Tomorrow we'll clean And my window won't shut But the breeze does feel niceAnd the stove can be years To light cigarettes Oh, let the tablecloth burn It's pretty that way 'Coz you smell like bread And now the pillow does too 'Coz everyone left With a even hue
