

# Love Life

## He Is We

"L-L-Love"Would you let me in?  
Put your guard down  
Let me make you smile  
Stay for a while then  
Will you talk it up  
Till you had enough?  
Till you had enough?  
Give me just a night for the real thing  
Let me show you how to really be happy  
Maybe fall in love  
I could be the one  
I could be the one  
To show you lo-lo-lo-lo-lo-love  
To show you lo-lo-lo-lo-lo-love  
Lo-lo-lo-lo-love's got me singing  
Ha-ha, maybe I'll laugh about it later  
But for now I'm feeling just a little bit crazy  
One, two, three  
I'm diving in the deep and holding my breath  
Will you take my hand?  
Will you take my hand?I know you're freaking out  
See your hand shake  
What you thinking about?  
Thinking that I'm gonna break your heart  
Think I'm gonna break your heartWhat's on your mind? What you feeling like?  
Maybe I can be the girl that can make it right  
I could be the one; we could fall in love  
We could fall in lo-lo-lo-lo-lo-love  
We could fall in lo-lo-lo-lo-lo-love  
Lo-lo-lo-lo-love's got me singing  
Ha-ha, maybe I'll laugh about it later  
But for now I'm feeling just a little bit crazy  
One, two, three  
I'm diving in the deep and holding my breath  
Will you take my hand?  
Will you take my hand?I don't want a boy toy  
My heart is aching for you  
Don't want to scare you boy  
But you're too good to be true  
You've showed me up now  
Got me thinking all about  
The ways that I could

Make you feel good  
Maybe we could fall in love  
Lo-lo-lo-lo-lo-loveLo-lo-lo-lo-love's got me singing  
Ha-ha, maybe I'll laugh about it later  
But for now I'm feeling just a little bit crazy  
One, two, three  
I'm diving in the deep and holding my breath  
Will you take my hand?  
Will you take my hand?Lo-lo-lo-lo-love's got me singing  
Ha-ha, maybe I'll laugh about it later  
But for now I'm feeling just a little bit crazy  
One, two, three  
I'm diving in the deep and holding my breath  
Will you take my hand?  
Will you take my hand?
