I Believe In You and Me

Whitney Houston

I believe in you and me I believe that we will be in love eternally Well, as far as I can see You will always be the one for me Oh yes, you will And I believe in dreams again I believe that love will never endAnd like the river finds the sea I was lost, now I'm free Cuz I believe In you and me I will never leave your side I will never hurt your pride When all the chips are down, baby Then I will always be around Just to be right where you are My love, you know I love you, boy I will never leave you out I will always let you in, oh babyTo places no one's ever been Deep inside Can't you see that I believe in you and me Maybe I'm a fool to feel the way I do I will play the fool foreverJust to be with you forever I believe in miracles And love's the miracle And yes, baby you're my dream come true I was lost, now I'm free Oh, baby cuz I believe, I do believe in you and me See, I was lost, now I'm free Cuz I believe in you and me Believe in you and me Believe in you and me Song Discussions is protected by U.S. Patent 9401941.
