

Calling

Taproot

Your face, is burned inside my brain
(I lost my way)
Your taste, of skin flows through my veins
(The cost I pay)'Cause you'll never understand me
You want me to stay You're ca-ca-ca-calling
But I can't hear you
I'm not listening anymore
You're subject to falling
But I can't save you
I don't see you anymore
The race of slowing down the pace
(I found a way)
The pace of speaking so mundane
(The sound of gain) But you'll never make me happy
So I've extinguished the flame You're ca-ca-ca-calling
But I can't hear you
I'm not listening anymore
You're subject to falling
But I can't save you
I don't see you anymore And what you want me to say
I'll never say
You're playing the game
that I'll never play
So what do you want from me
Now I've extinguished the flame
You're ca-ca-ca-calling
But I can't hear you
I'm not listening anymore
You're subject to falling
But I can't save you
I don't see you anymore You're ca-ca-ca-calling
But I can't hear you
I'm not listening anymore
You're fa-fa-fa-falling
But I can't save you
I don't see you anymore
