

Let's Rave (feat. Lili Pistorius)

Topic

Come on, boy, tell me who you are
Come on, girl, where should we start?
Come on, boy, tell me who you are
Come on, girl, tell me who you are
Hi, my name is Lili
Somebody said you're lookin' for me?
That's a nice shirt you got there
Can I take it off?
Come on, boy, tell me who you are
Come on, girl, where should we start?
Come on, boy, tell me who you are
Come on, girl, tell me who you are
Let's rave!
Let's rave!
Let's rave!
Let's rave!
Let's rave!
Let's rave!
I'm done
Do you have a name? Can I call you Ryan
Can I have a real kiss, I promise ya, I'll give it back
Come on, boy, tell me who you are
Come on, girl, where should we start?
Come on, boy, tell me who you are
Come on, girl, tell me who you are
Let's rave!
Let's rave!
Let's rave!
Let's rave!
Let's rave!
And, I'm done
