

Just to See Her

Smokey Robinson

Just to see her ... just to touch her,
Just to hold her in my arms again one more time.
If I could feel her warm embrace ... see her smiling face,
Can't find anyone to take her place ... I've got to see her again.Chorus:
I would do anything ... I would go anywhere,
There's nothin' I wouldn't do ... just to see her again.I can't hide it ... no - oh - oh, I can't fight it,
It's so hard to live without the love that she gave to me,
Doesn't she know it ... I tried hard not to show it, ooh - ooh,
Can't I make her realize that she really needs me again.
Chorus:
I would do anything ... I would go anywhere,
There's nothin' I wouldn't do ... just to see her again,
She brightened up my every day ... made me feel so good in every way,
If I could have her back again (to stay), I've got to see her again.(SOLO)Bridge:
(Just to see her) - I want to see her,
(Just to hold her) - Hold her ... hold her ... hold her,
(Just to see her) - See - ee - ee her,
(Just to touch her) - Touch her!Chorus:
I would do anything ... I would go anywhere,
There's nothin' I wouldn't do ... just to see her again,
She brightened up my every day ... made me feel so good in every way,
If I could have her back today (to stay), I've got to see her again.
It would - it would - it would ... make me feel so good,
If I - if I could only see her again,
There's nothin' I wouldn't do ... aaah, don't you know it's true,
If I could only see her again.
(scat out)
