Whoah-Whoah-Whoah-Whoah (x4) You know it's always on my mind
The best is always hard to find
OWhoahOhOohOohOhOohOhOohOh You know it's always on my mind
I only like my favorite kind
OWhoahOhOohOohOhOohOhOohOh I just want to forget
Where my afternoon went
But I have to remember today
All I want and all I need
Is just another pound of weed
So I can go inside and play You know it's always on my mind
If I stop I will go blind
OWhoahOhOohOohOhOohOhOohOh
You know it's always on my mind
It gets me through the daily grind
OWhoahOhOohOohOhOohOhOohOh I just want to forget
Where my afternoon went
But I have to remember today
All I want and all I need
Is just another pound of weed
So I can go inside and play Whoah-Whoah-Whoah-Whoah (x4) You know it's always on my
mind
Can't you see it in my eyes
OWhoahOhOohOohOhOohOhOohOh You know it's always on my mind
I'm running low on my supplies
OWhoahOhOohOohOhOohOhOohOh
I just want to forget
Where my afternoon went
But I have to remember today
All I want and all I need
Is just another pound of weed
So I can go inside and play Whoah-Whoah-Whoah-Whoah (x4)
