Reap the wild wind  
Reap the wild wind Reap the wild wind A finger points to show a scene  
Take my hand, take my hand  
Another face where mine had been  
Take my hand, take my hand  
Another footstep where I once walked  
Take my hand, take it all You take my hand and give me your friendship  
I'll take my time and send you my slow reply  
Give me an inch and I'll make the best of it  
Take all you want and leave all the rest to die  
Reap the wild wind A footprint haunts an empty floor  
Take my hand, take my hand  
A fading coat that I once wore  
Take my hand, take my hand  
Oh, desolation where I once lived I have seen in times gone by  
I have felt a different shadow on the wall  
A stranglehold on a certain feeling You take my hand and give me your friendship  
I'll take my time and send you my slow reply  
Give me an inch and I'll make the best of it  
Take all you want and leave all the rest to die Reap the wild wind  
Reap the wild wind  
You take my hand and give me your friendship  
I'll take my time and send you my slow reply  
Give me an inch and I'll make the best of it  
Take all you want and leave all the rest to die Reap the wild wind
