Makeba, makeba ma que bella
Makeba, makes my body dance for you
Makeba, makeba ma que bella
Makeba, makes my body dance for you
Makeba, makeba ma que bella
Makeba, makes my body dance for you
Makeba, makeba ma que bella
Makeba, makes my body dance for youI wanna hear your breath just next to my soul
I wanna feel your breasts without any rests
I wanna see you sing, I wanna see you fight
Cause you are the real beauty of human rightsMakeba, makeba ma que bella
Makeba, makes my body dance for you
Makeba, makeba ma que bella
Makeba, makes my body dance for youNobody can be the mama Africa
You follow the beat that she's gonna give you
I need a smile you can love
Make it go, the sufferation of a thousand more
Makeba, makeba ma que bella
Makeba, makes my body dance for you
Makeba, makeba ma que bella
Makeba, makes my body dance for you
Makeba, makeba ma que bella
Makeba, makes my body dance for you
Makeba, makeba ma que bella
Makeba, makes my body dance for you
Makeba, makeba ma que bella
Makeba, makes my body dance for you
Makeba, makeba ma que bella
Makeba, makes my body dance for you
