Fire and Ice (2005 Remaster)

Pat Benatar

Ooh, you're giving me the fever tonight
I don't wanna give in, I'd be playing with fire
You forget, I've seen you work before
Take 'em straight to the top, leave 'em crying for more
I've seen you burn 'em beforeFire and ice
You come on like a flame, then you turn a cold shoulder
Fire and ice

I wanna give you my love, but you'll just take a little piece of my heart
You'll just tear it apartMoving in for the kill tonight
You got every advantage when they put out the lights
It's not so pretty when it fades away
'Cause it's just an illusion in this passion play

I've seen you burn 'em before

Fire and ice

You come on like a flame, then you turn a cold shoulder
Fire and ice

I wanna give you my love, but you'll just take a little piece of my heartSo you think you got it all figured out

You're an expert in the field, without a doubt
But I know your methods inside and out
And I won't be taken in by fire and iceFire and ice
You come on like a flame, then you turn a cold shoulder

Fire and ice

I wanna give you my love, but you'll just take a little piece of my heartYou come on like a flame, then you turn a cold shoulder

Fire and ice

I wanna give you my love, but you'll just take a little piece of my heart
You come on like a flame, then you turn a cold shoulder
Fire and ice
You come on like a flame, then you turn a cold shoulder

Fire and ice
