

Rose of Cimarron

Poco

Roll along, roll on
Rose of Cimarron
Dusty days are gone
Rose of Cimarron Shadows touch the sand and
Look to see who's standin'
Waitin' at your window
Watchin', will they ever show
Can you hear them callin'
You know they have fallen
On campfires cold and dark
That never see a spark burn bright Roll along, roll on
Rose of Cimarron
Dusty days are gone
Rose of Cimarron
Trails that brought them home
Echo names they've known
Four days high and lonely
Comin' to you only
You're the one they turned to
The only one they knew who'd do
All her best to be around
When the chips were down Roll along, roll on
Rose of Cimarron
Dusty days are gone
Rose of Cimarron Shadows touch the sand and
Look to see who's standin'
Waitin' at your window
Watchin', will they ever show
Roll along, roll on
Rose of Cimarron
Dusty days are gone
Rose of Cimarron Roll along, roll on
Rose of Cimarron
Dusty days are gone
Rose of Cimarron Hearts like yours belong
Following the dawn
Wrapped up in a song
Rose of Cimarron
