Patoranking

Yah
Another one
Me your old customer
Meya suma yakinkima
Gospel on the beat
Wah ya say
We too fight and quarrel
We gon settle
When everything is not well
Gyal me carry gentle
No other gyal make me act well
Two of us like bottom castle
I just can tell
Why we fight and rustle
As I dey wanya, wanya "uh uh"
The girl just dey fire, fire "uh uh"
As I dey fire, fire "uh uh"
The girl just dey fire, fire
If you no give me I no go take oh
Only your love I appreciate oh
If you no give me I no go take oh
Baby girl lets relate oh
But she sings to me
No kissing babe
No touching babe
No kissing babe
And don't call me babe
No kissing babe
No touching babe
No kissing babe
No kissing babe
Mepese mesonow
No touching babe
Omo mefenanuwa
No kissing babe
Mepe semefrana
And don't call me babe
Baby I wanna kiss you
No kissing babe
Can I touch you?
No touching babe
You look so sweet baby
No kissing babe
(?)

And don't call me babe
As I dey wanya, wanya "uh uh"
The girl just dey fire, fire "uh uh"
As I dey fire, fire "uh uh"
The girl just dey fire, fire
If you no give me I no go take oh
Only your love I appreciate oh
If you no give me I no go take oh
Baby girl lets relate oh
But she sings to me
No kissing babe
No touching babe
No kissing babe
And don't call me babe
No kissing babe
No touching babe
No kissing babe
