

# Sleigh Ride (with Percy Faith and His Orchestra)

## Johnny Mathis & Percy Faith and His Orchestra

Just hear those sleigh bells jingle-ing, ring-ting-tingle-ing too  
Come on, it's lovely weather for a sleigh ride together with you  
    Outside the snow is falling and friends are calling "you-hoo"  
Come on, it's lovely weather for a sleigh ride together with youGiddy-up, giddy-up, giddy-up,  
    let's go  
    Let's look at the show  
    We're riding in a wonderland of snow  
    Giddy-up, giddy-up, giddy-up, it's grand  
    Just holding your hand  
We're gliding along with a song of a wintery fairy landOur cheeks are nice and rosy and comfy  
    cozy are we  
We've snuggled close together like two birds of a feather would be  
    Let's take that road before us and sing a chorus or two  
    Come on, it's lovely weather for a sleigh ride together with you  
        There's a birthday party at the home of Farmer Gray  
        It'll be the perfect ending of a perfect day  
    We'll be singing the songs we love to sing without a single stop  
        At the fireplace where we'll watch the chestnuts pop  
    Pop, pop, popThere's a happy feeling nothing in the world can buy  
        When they pass around the coffee and the pumpkin pie  
        It'll nearly be like a picture print by Currier and Ives  
These wonderful things are the things we remember all through our lives
