

Underwater

Porches

sometimes i see the vision
sometimes you know i don't
oh how i wish it would show me
only the things that i want
hi there
franklin underwater
hi there
franklin underwater
i kept desire in context
the air was heavy and cool
everything so delicate
as i watched you walk into the room
hi there
franklin underwater
hi there
franklin underwater
i really wanna make it so right
for us to belong to the night
just fallin' apart
i lit one up
and i drove around
just wonderin' whatchya doin' now
we could ... (underwater)
