

My Heart Beats for Love

Miley Cyrus

I've been stranded on a lonely street
Got lost in the shadows
Fell hard in the battle
The choirs and the suffering
I walked through the darkness
Left broken and heartless I'm calling out, can you hear my voice?
I'm gonna find you through all the noise
You know there's nothing that I wouldn't do
So shine your light as I reach for you
My heart beats for love My heart beats for love
It's the sound that I hear, tells me not to give up
It breathes in my chest and
It runs through my blood
My heart beats for love
My heart beats for love
Whoa, ohh, oh, oh, oh, yeah And I've been told at least a thousand times
It's not worth the struggle, the hurt or the trouble
I keep running up to these front lights
No I won't surrender
I'll wait here forever Standing here with my head held high
Oh, can't you see that it's worth the fight?
My heart beats for love
My heart beats for love
It's the sound that I hear, tells me not to give up
It breathes in my chest and
It runs through my blood
My heart beats for love
My heart beats for love Whoa, ohh, oh, oh, oh, yeah
I'm not to cross this battle field
I'm screaming out, can you hear me now?
I'm holding on, I stand my ground
I'm screaming out, can you hear me now? My heart beats for love
My heart beats for love
It's the sound that I hear, tells me not to give up
It breathes in my chest and
It runs through my blood
My heart beats for love
My heart beats for love My heart beats for love
My heart beats for love
It's the sound that I hear, tells me not to give up
It breathes in my chest and
It runs through my blood

My heart beats for love
My heart beats for love Whoa, ohh, oh, oh, yeah
