Cradle

The Joy Formidable

I can't see he says what he means I can't say what he means when he says That I'll pretend, I'll pretty pretend When all I want to see is the end of this I can't see he says what he means We'll deal him sticks and stones and apologies I wish, oh, I wish it was through Split the scars, get up off your knees Just lift the marks to new found kinesis I'll pretend, I'll pretty pretend When all I want to see is the end of this I wish, oh, I wish I wish the cobwebs would cover me Cover me Cover meMy vicious tongue cradles just one

My vicious tongue cradles just oneMy vicious tongue cradles just one
