

# Let There Be Love

Christina Aguilera

Mmmm...  
Ooooooh Yeah.  
Oooooah Yeah...  
Let's Go! I wanna tell you my secret  
With just the sound of my breathing  
I wanna know your hearts beating  
I wanna tell ya, I wanna tell ya Ahooo like that  
Yeah it feels so good that I can't hold back  
Ahooo like that  
Hit the right spot, making my eyes roll back  
Let there be let there be love  
Here in the here in the dark  
Turning me turning me on  
Not gonna fight anymore  
'cause I want your touch  
(Let's go!) Let there be love  
Here in the here in the dark  
Turning me turning me on  
Not gonna fight anymore  
'cause I want your touch  
(Let's go!) Want you to tell me you need it  
I wanna hear it repeated  
Want you to take me completely  
Want you to tell me  
Want you to tell me  
Ahooo like that  
Yeah it feels so good that I can't hold back  
Ahooo like that  
Hit the right spot, making my eyes roll back Let there be let there be love  
Here in the here in the dark  
Turning me turning me on  
Not gonna fight anymore  
'cause I want your touch  
(Let's go!) Let there be love  
Here in the here in the dark  
Turning me turning me on  
Not gonna fight anymore  
'cause I want your touch  
(Let's go!) Let there be let there be love  
Let there be let there be love  
Let there be let there be love  
Let there be let there be love Hmmm...

Yeahhh...  
(Let's go!)  
Let there be love  
Oh yeah...  
Oh yeah...  
Oh yeah...Let there be let there be love  
Here in the here in the dark  
Turning me turning me on  
Not gonna fight anymore  
'cause I want your touch  
(Let's go!)Let there be love  
Here in the here in the dark  
Turning me turning me on  
Not gonna fight anymore  
'cause I want your touch  
(Let's go!)
