

Beautiful

Mosaic MSC

You're alive
Holy Light
Heaven sings to you In the stars
In the sky
You're beautiful Beautiful
Beautiful In the waves
In the tides
Oceans sing to you In the rain
In the fire
You're beautiful Beautiful
Beautiful
Beautiful
Beautiful
In the pain
In the trial
We will sing to you Through the night
You and I
You're beautiful We will sing
Of your salvation
We will lift
Your name on high
We will live
In awe and wonder
Your love is so
Beautiful
Beautiful
Beautiful
Beautiful
From the night sky
On to the morning sun From the great heights
To the depths below You've made it all
To reveal your love And you've only just begun
