Uprising

Muse

Paranoia is in bloom The PR transmissions will resume They'll try to push drugs that keep us all dumbed down And hope that we will never see the truth around So come on!Another promise, another seed Another packaged lie to keep us trapped in greed And all the green belts wrapped around our minds And endless red tape to keep the truth confined So come on! They will not force us They will stop degrading us They will not control us We will be victorious So come on! Interchanging mind control Come, let the revolution take its toll If you could flick the switch and open your third eye You'd see that we should never be afraid to die So come on!Rise up and take the power back It's time the fat cats had a heart attack You know that their time's coming to an end We have to unify and watch our flag ascend So come on! They will not force us They will stop degrading us They will not control us We will be victorious So come on! They will not force us They will stop degrading us They will not control us We will be victorious So come on!
