

You Always Make Me Smile

Kyle Andrews

I like your messy hair
I like the clothes you wear
I like the way you sing
And when you dance with me I don't know why I love you
I just know I can't stop thinking of you
Oh wait, it's 'cause you make me smile
You always make me smile I like that rainbow pair
Of gym shoes that you wear
I like the chance you take
I like the mess you make
I don't know why I love you
I just know, I can't stop thinking of you
Oh wait, it's 'cause you make me smile
You always make me smile I like that rainbow pair
Of gym shoes that you wear
I like the way you sing
And when you dance with me I like the face you make
And when you dance with me
I like the rules you break
And when you dance with me I like the cake you bake
And when you dance with me
I like the chance you take
So won't you dance with me
I don't know why I love you
I just know I can't stop thinking of you
Oh wait, it's 'cause you make me smile
You always make me smile
You always make me smile
