Problem (feat. Iggy Azalea & J Balvin)

Ariana Grande

It's Iggy Iggz I got one more problem with you girl AyeHey baby, even though I hate ya I wanna love ya, I want you And even though I can't forgive ya I really want to, I want you Tell me, tell me, baby Why did you leave me? Cause even though I shouldn't want it

I gotta have it, I want youHead in the clouds

Got no weight on my shoulders

I should be wiser

And realize that I've got

One less problem without ya

I got one less problem without ya

I got one less problem without ya

I got one less, one less problemOne less problem without ya

I got one less problem without ya

I got one less problem without ya

I got one less, one less problemI know you're never gonna wake up

I gotta give up, but it's you?

I know I shouldn't ever call back

Or let you come back, but it's you

Every time you touch me

And say you love me

I get a little bit breathless

I shouldn't want it, but it's you

Head in the clouds

Got no weight on my shoulders

I should be wiser

And realize that I've gotOne less problem without ya

I got one less problem without ya

I got one less problem without ya

I got one less, one less problemOne less problem without ya

I got one less problem without ya

I got one less problem without ya

I got one less, one less problemIt's Iggy Iz

What you got?Smart money bettin' I'll be better off without you

In no time I'll be forgettin' all about you

You sayin' that you know, but I really, really doubt you

Understand my life is easy when I ain't around you

Iggy Iggy, too biggie to be here stressin'

I'm thinkin' I love the thought of you more than I love your presence And the best thing now is probably for you to exit I let you go, let you back, I finally learned my lesson No half-steppin', either you want it or you just playin' I'm listenin' to you knowin' I can't believe what you're sayin' There's a million you's baby boy, so don't be dumb I got 99 problems but you won't be one Like what!One less, one less problem One less, one less problemHead in the clouds Got no weight on my shoulders I should be wiser And realize that I've gotOne less problem without ya I got one less problem without ya I got one less problem without va I got one less, one less problemOne less problem without ya I got one less problem without ya I got one less problem without ya I got one less, one less problemOne less problem without ya I got one less problem without ya I got one less problem without ya I got one less, one less problemOne less problem without ya I got one less problem without ya I got one less problem without ya I got one less, one less problem
