

# Hide (feat. Seezyn)

## Juice WRLD

[Intro: Juice WRLD]

Need a drink? (Hoo, ayy, ayy)

Found my home (Hoo, ooh, hoo, oh)

She make me leave the thrills at home and I'm fine...[Chorus: Juice WRLD]

Really think I found my home, shorty made me feel at home

She made me leave the thrills at home and I'm fine with it

She really made me lose control, I'ma let my love unfold

We're just two lost souls, but we're fine with it[Verse 1: Juice WRLD]

There's love at my front door, short notice

She not like the sane girls, I noticed

Think I met my soulmate, yeah, I know it

When it gets dark outside, in you I confide

You help me face my demons, I won't hide, hide

Girls like you are hard to find

I hope you don't mind, if I give you the time of your life, life, life

[Chorus: Juice WRLD]

Really think I found my home, shorty made me feel at home

She made me leave the thrills at home and I'm fine with it

She really made me lose control, I'ma let my love unfold

We're just two lost souls, but we're fine with it[Verse 2: Seezyn]

Life is not the same with your pictures in my frame

Now that you're here, I want nothing to change

You pick me up when I'm down, I need you around

You seen me through my darkest times

Love isn't something that you try to find

You brought meaning to my life

All because of you, I do right

Because of you, I have a purpose

Fight for the world because you're worth it

[Chorus: Juice WRLD]

Really think I found my home, shorty made me feel at home

She made me leave the thrills at home and I'm fine with it

She really made me lose control, I'ma let my love unfold

We're just two lost souls, but we're fine with it
