Do My Thang

[Miley Cyrus](#)

Every single night and every single day
I'ma do my thing, I'ma do my thang
So don't you worry about me, I'ma be okay
I'ma do my thang, cause I'ma do my thang
And I, I'ma-I'ma-I'ma do my thang
And I, I'ma-I'ma-I'ma do my
I'ma do my thang
I'ma do my thang
I'ma do my thangBang bang, I'ma shoot 'em down, baby
Look at me, I'm high up off the ground, baby
Oh shit, pass that shit around, baby
That shit true, but I don't hear a sound
I'm a Southern belle, crazier than hell
Getting wild up in here, getting live up in here
Burning up up in here, turnt up up in here
We tear the roof up now we up out of hereWe do it, we do it
We don't give a fuck
Only thing we think about is turnin' up, turnin' up
We do it, we do it
We do it all the way live
So, everybody hands to the sky, 'causeEvery single night and every single day
I'ma do my thing, I'ma do my thang
So don't you worry about me, I'ma be okay
'Cause I'ma do my thang, I'ma do my thang
And I, I'ma-I'ma-I'ma do my thang
And I, I'ma-I'ma-I'ma do my
I'ma do my thang
I'ma do my thang
I'ma do my thang
Bang, bitch!
You think I'm strange, bitch?
It's bananas, like a fuckin' 'rangutan, bitch
Don't worry 'bout me
I got it all arranged, bitch
Mind your business
Stay in your lane, bitchOh yeah, I'm a Southern belle
I told ya'll once before I get crazier than hell
Get wild up in here, get live up in here
Turnt up up in here, burning up up in hereWe do it, we do it
We don't give a fuck
Only thing we think about is turnin' up, turnin' up
We do it, we do it

We do it all the way live
So, everybody hands to the sky, 'causeEvery single night and every single day
I'ma do my thing, I'ma do my thang
So don't you worry about me, I'ma be okay
I'ma do my thang, cause I'ma do my thang
And I, I'ma-I'ma-I'ma do my
I'ma do my thang
