Cold Turkey

John Lennon & Yoko Ono

Temperature's rising Fever is high Can't see no future Can't see no skyMy feet are so heavy So is my head I wish I was a baby I wish I was deadCold turkey has got me on the run My body is aching Goose-pimple bone Can't see no body Leave me aloneMy eyes are wide open Can't get to sleep One thing I'm sure of I'm in at the deep freezeCold turkey has got me on the runCold turkey has got me on the runThirty-six hours Rolling in pain Praying to someone Free me again Oh I'll be a good boy Please make me well I promise you anything Get me out of this hellCold turkey has got me on the run Oh, oh, oh, oh
