

Hate You

Jim Yosef & RIELL

[Verse]

I don't recognize who's in my bed
I know I used to love him but I can't pretend
All we do is scream and fight
Cruel through the day, selfish lover at night
Am I stranger to you too?
Don't love me like you promised to
So why am I so sad to leave you? yeah [Pre Chorus]

Why am I

Doing everything I can to justify your arrogance
Your cruelty, and your neglect? I can't pretend cause [Chorus]

I know there's no saving us now
This point I'm just burnt out from pleasing you
I hate that, I hate that, I hate that I hate you
Stone cold to the touch
Eyes vacant, you're not enough
So selfish, can't keep up

I hate that, I hate that, I hate that I hate you [Drop]
Hate that I hate you [Verse]

Do you think about it like I do?
Is it me in your mind when you're with someone new?

Tryna map out in my head
How we got here from where we started
Take or leave, I should have gone
Got stuck tryna right your wrongs [Pre-Chorus]
Doing what I can I compromised and bled I
Got down on my knees for nothing cause you're

[Chorus]

Stone cold to the touch
Eyes vacant, you're not enough
So selfish, can't keep up
I hate that, I hate that, I hate that I hate you [Drop]
Hate that I hate you [Bridge]

I know there's no saving us now
This point I'm just burnt out

From pleasing you, from pleasing you, from pleasing you I know there's no saving us now
This point I'm just burnt out
From pleasing you, from pleasing you, from pleasing you Yeah baby I know there's no saving
us now

This point I'm just burnt out
From pleasing you
I hate that I hate you [Drop]

Hate that I hate you
Hate that I, hate that I, hate that I hate you
Hate that I hate you
Hate that I, hate that I, hate that I hate you
