

No Way

Toni Braxton

will you please let down you wall so. i can finally come on in and see i. not like all the other girls that .you have been messin with see i. wanna give you everything. will you please except my heart. i wont let anything. tare this love apart.no way no how not me not now im gonna prove my love is true breaking your heart is something i wont do no way no how not me not now im gonna prove my love is true breaking your heart is something i wont do. will you please let down you walls cause they are way to high to climb. boy i no your feet must hurt baby. cause you've been running through my mind. you should let me love you. baby i will never let you down. as long as you want me. i will be around. no way no how not me not now im gonna prove my love is true breaking your heart is something i wont do no way no how not me not now im gonna prove my love is true breaking your heart is something i wont do.i love you with all of my heart and as long im breathing nothing is gonna tear us apart i love you and i need you nothings gonna change my mindoooh no way no way baby oooh (no way) no way (no how) no how (not me) not me not now ill prove my love is true breaking your heart is something i wont do no way no how not me not now prove my love is true breaking your heart is something i wont do no way said no way i said nooo way
