

# I Caught Myself

## Paramore

Down to you  
You're pushing and pulling me down to you  
But I don't know what I  
Now when I caught myself, I had to stop myself  
From saying something that I should have never thought  
Now when I caught myself, I had to stop myself  
From saying something that I should have never thought of you, of you  
You're pushing and pulling me down to you  
But I don't know what I want  
No I don't know what I want  
You got it, you got it  
Some kind of magic  
Hypnotic, hypnotic  
You're leaving me breathless  
I hate this, I hate this  
You're not the one I believe in  
With God as my witness...  
Now when I caught myself, I had to stop myself  
From saying something that I should have never thought  
Now when I caught myself, I had to stop myself  
From saying something that I should have never thought of you, of  
You're pushing and pulling me down to you  
But I don't know what I want  
No I don't know what I want  
...  
Don't know what I want  
But I know it's not you  
Keep pushing and pulling me down  
But I know in my heart it's not you  
...  
Now when I caught myself, I had to stop myself  
From saying something that I should have never thought  
Now when I caught myself, I had to stop myself  
From saying something that I should have never thought of you  
I knew, I know in my heart it's not you  
I knew, but now I know what I want, I want, I want  
Oh no, I should have never thought
