Fool In the Rain

Led Zeppelin

Oh babyWell there's a light in your eye that keeps shinin'
Like a star that can't wait for night.
I hate to think I been blinded baby.
Why can't I see you tonight?
An' the warmth of your smile starts a burnin'
An' the thrill of your touch give me fright
And I'm shakin' so much, really yearnin'.
Why don't you show up and make it alright-yeah?
It's alright-right.

And if you promised you'd love so completely
An' you said you would always be true
You swore that you never would leave me baby
Whatever happened to you?

An' you thought it was only in movies
As you wish all your dreams would come true, hey.
It ain't the first time believe me baby
I'm standin' here feelin' blu_e, blue-hah!.

Yes I'm blue.Oh babeNow I will stand in the rain on the corner I watch the people go shufflin' downtown.

A-nother ten minutes no longer
An' then I'm turnin' around 'round.
An' the clock on the wall's movin' slower
Oh my heart it sinks to the ground
An' the storm that I thought would blow over
Clouds the light of the love that I found, found.
Light of the love that I found.

Light of the love that I found.

Oh that I found.Hey babe.Oooh hand that ticks on the clock

Just don't seem to stop

When I'm thinking it over. Oooh tired of the light I just don't seem to find.

Have you wait, yeah played. Whoah oooh, I see it in my dreams

But I just don't seem to be with you, you

I gotta get it all, gotta get it all, gotta get it all

I've got to get all. Ooh now my body is starting to quiver

An' the palms of my hands gettin' wet oh.

I got no reason to doubt you baby It's all a terrible mess.

An' I'll run in the rain 'til I'm breathless When I'm breathless I'll run 'til I drop, hey! An' the thoughts of a fool's gotta count of careless I'm just a fool waitin' on the wrong block ohh-yeah. Hey now. Ohhhhoh hohh.

Light of the love that I found

Light of the love that I found

Light of the love that I ...

Light of the love that I found

Light of the hey now

Light of the hey now

Light of the love that I found

Light of the love that I found
