

# OTW (feat. 6LACK & Ty Dolla \$ign)

## Khalid

[Intro: Khalid]

Na, na, na, na, ooh

Oh, no, oh, ayy

[Chorus: Khalid]

Put it in drive, I'll be outside, I'll be on the way

I'll be on the way

You can meet me in five, I'll be online, I'll be a-all day

I'll be a-all day

Put it in drive, I'll be outside, I'll be on the way

I'll be on the way

You can meet me in five, I'll be online, I'll be a-all day

I'll be a-all day

[Verse 1: Khalid]

Yeah, yeah, yeah

This the type of shit that you been waiting all year for

Making sounds for a minute, if you with it (yeah)

Got a lot of time, I just need somewhere to spend it

I just press a button and the top go missing

I kept the slip so you know it's not rented, yeah, oh, oh

What you wanna do?

Worried 'bout your friends, they saw you this afternoon

I been reading your mind

No fair, but you gotta let me know

I'm all ears and I got a lot of room in my whip

If you wanna take it there, I'm on my way

[Chorus: Khalid]

Put it in drive, I'll be outside, I'll be on the way

I'll be on the way

You can meet me in five, I'll be online, I'll be a-all day

I'll be a-all day

Put it in drive, I'll be outside, I'll be on the way

I'll be on the way

You can meet me in five, I'll be online, I'll be a-all day

I'll be a-all day [Verse 2: Ty Dolla \$ign]

(Dolla \$ign, Dolla \$ign)

Drop top the Porsche, put that bitch in sport

Out here in the field, oh yeah (yeah)

I'm already here, yeah

Come outside, looking like a snack

Hurry up, get in, hell yeah (yeah)

Come with me on this mission (ooh yeah, ooh yeah)

Riding down the coast (ooh yeah)

I want that for sure (ooh yeah)  
You say, Play Khalid (ooh yeah)  
I say, Pass the weed (ooh yeah)  
Pull up to the crib, oh  
Said you've never been before  
Put you in Provocateur  
Girl, I made you mi amor  
You said you left your ex, that dude was always gassy  
You said before me, you ain't never been this happy  
You took an L with him and winning ever since (ever since)  
You hit my phone, I'm on my way, I got some plans, yeah, yeah [Chorus: Khalid]  
Put it in drive, I'll be outside, I'll be on the way  
I'll be on the way  
You can meet me in five, I'll be online, I'll be a-all day  
I'll be a-all day  
Put it in drive, I'll be outside, I'll be on the way  
I'll be on the way  
You can meet me in five, I'll be online, I'll be a-all day  
I'll be a-all day [Verse 3: 6LACK]  
You tryna make a move, tonight I got the time  
Tell me what you wanna do  
Call the squad if you wanna rendezvous  
They gon' push up on it, on it, I only got room for two  
From the 'jects on the set, it's a Porsche, not a 'Vette, I confess, I'ma flex  
Ayy, show some respect  
Get away so we can make sense of your life  
You was in park but I just put your shit in drive  
Now coast like there's no tomorrow  
Moving too fast, I'm hoping to drive slow (yeah)  
I don't want you to wonder where I go  
Can learn a lot from this and it's something that I know [Chorus: Khalid]  
Put it in drive, I'll be outside, I'll be on the way  
I'll be on the way  
You can meet me in five, I'll be online, I'll be a-all day  
I'll be a-all day  
Put it in drive, I'll be outside, I'll be on the way  
I'll be on the way  
You can meet me in five, I'll be online, I'll be a-all day  
I'll be a-all day
