

# Eros and Apollo

## Studio Killers

Yeah, With a boy like that, it's serious  
There's a boy who is so wonderful  
The girls who see him kinda follow him back home  
And the gigolos run like spiders when he comes 'Cause he is Eros and he's Apollo  
Girls, with a boy like that, it's serious  
Senoritas, don't follow him  
Soon he'll eat your hearts like cereals Sweet Lolitas, don't go, you're still young  
But every night, they fall like dominos How he does it, only heaven knows  
All the other men turn gay wherever he goes Wow!  
Girls, with a boy like that, it's serious  
Senoritas, don't follow him  
Soon he'll eat your hearts like cereals  
Sweet Lolitas, don't go, you're still young  
Yeah, with a boy like that, it's serious  
Senoritas, don't go, please don't go  
Soon, he'll eat your hearts like cereals  
Sweet Lolitas, don't go, you're still young  
Sweet Lolitas, don't go, you're still young
