

Night Witches

Sabatón

From the depths of hell in silence
Cast their spells, explosive violence
Russian night time flight perfected
Flawless mission, non detected
From the depths of hell in silence
Cast their spells, explosive violence
Russian night time flight perfected
Flawless mission, non detected
Pushing on and on, their planes are going strong
Air force number one
Somewhere down below they're looking for the foe
Bombers on a run
You can't hide, you can't move, just abide
Their attack's been proved
Raiders in the dark
Silent through the night the witches join the fight
Never miss their mark
Canvas wings of death
Prepare to meet your fate
Night bomber regiment
588 Undetected, unexpected
Wings of glory
Tell their story
Aviation, deviation
Undetected
Stealth perfected
Foes are losing ground, retreating to the sound
Death is in the air
Suddenly appears, confirming all your fears
Strike from witches lair
Target found, come around, barrels sound
From the battleground
Axis aiming high
Rodina awaits, defeat them at the gates
Live to fight and fly
Canvas wings of death
Prepare to meet your fate
Night bomber regiment
588 Undetected, unexpected
Wings of glory
Tell their story
Aviation, deviation
Undetected
Stealth perfected
Beneath the starlight of the heavens
Unlikely heroes in the skies

Witches to attack, witches coming back
As they appear on the horizon
The wind will whisper when the Night Witches come! Undetected, unexpected
Wings of glory
Tell their story
Aviation, deviation
Undetected
Stealth perfected From the depths of hell in silence
Cast their spells, explosive violence
Russian night time flight perfected
Flawless mission, non detected From the depths of hell in silence
Cast their spells, explosive violence
Russian night time flight perfected
Flawless mission, non detected
