

# The Water

## Feist

Telegraph cables hum  
And few can decipher who the message is from  
And deliver it quietly  
'Cause some don't get much companyThe harbor becomes the sea  
And lighting the house keeps it collision free  
Understand the lay of the land  
And don't let it hurt you or it will be the first toThe water, the water  
Didn't realize  
It's dangerous size  
The mountain, the mountain  
Came to recognize  
It's steep and rocky sides  
More than realizedOoh, ooh, ooh, oohPale as a pile of bones  
You hope for your babies  
And this is how they growWind-battered, knocked over  
The teeth by the shoulder  
Watching the gray sky  
That's acting like a good guyThe water, the water  
Came to realize  
It's a dangerous size  
The mountain, the mountain  
Came to recognize  
It's steep and rocky sidesCame to recognize  
It's steep and rocky sides  
More than realized
