

World Turns Grey (feat. Princess Chelsea)

Robin Schulz & HEYHEY

When you told me that we would be together again
Did you know I believed in the words you said?
Did you think I knew you said it to her, too?
Oh, it's a [?] full of people just like you
Around, around
Around, around Are our relationships nothing but socks and bones
Do you calculate all the friends you have lost
Must we saturate ourselves
It does nothing for you, it does nothing for your health If you'd ask me, baby, I'd do anything for
you
If you'd ask me, baby, I'd do anything for you If you'd ask me, baby, I'd do anything for you
If you'd ask me, baby, I'd do anything for you What can you say when the world turns to grey?
It's such a shame
If you'd ask me, baby
If you'd ask me, baby
