

# Leaving U 4 the Groove

## LMFAO

Baby we need to talk  
You know, you know our relationship ain't really been going right  
I don't really know how to tell you this but I'm leaving you for the groove  
Baby echo  
I gotta let you know,  
There's something inside of me girl, that I can't control  
Now I love you baby  
And I always will  
But that ain't strong enough to change the way that I feel  
No  
You gave me attitude, when all I do is for you  
Well find another dude, I'm tired of being your fool  
So I'm leaving you for the groove  
Finally making my move  
Now that I'm finally free  
I just wanna be me I'm leaving you for the groove  
Finally making my move  
Now that I'm finally free  
I just wanna be me  
Yeahh, Yeah Baby I'm done playing your game  
Everytime I'm dancing, you just look at me strange  
I was the one that you love, now I'm the one the you hate echo  
Well, I don't care girl, go ahead, take me off your top 8 I'm leaving you for the groove  
Making my move  
Now that I'm finally free  
I just wanna be me  
I'm leaving you for the groove  
Making my move  
Now that I'm finally free  
I just wanna be me  
Yeah, Yeah, aw Dance  
Attitude repeated
