## Muse

Home, it's becoming a killing field  
There's a crosshair locked on my heart  
With no recourse, and there's no one behind the wheel  
Hellfire you're wiping me out  
Killed by Drones!  
Killed by  
Drones!  
Killed by You rule with lies and deceit  
And the world is on your side  
You've got the CIA babe  
And all you've done is brutalize  
Drones! War, war just moved up a gear  
I don't think I can handle the truth  
I'm just a pawn, and we're all expendable  
Incidentally electronically erased  
By your Drones!  
Killed by  
Drones!  
Killed by You kill by remote control  
And the world is on your side  
You've got reapers and hawks babe  
And now I am radicalized Drones!  
Killed by  
You rule with lies and deceit  
And the world is on your side  
You've got the CIA babe  
And all you've done is brutalize  
You kill by remote control  
And the world is on your side  
You've got reapers and hawks babe  
And now I am radicalized Here come the drones!  
Here come the drones!  
Here come the drones!
