

# Sloppy (I Saw My Baby Gettin')

Devo

I saw my baby yesterday  
I saw my baby yesterday  
She spent her money on a car  
She spent her money on a brand new car I didn't get her very far  
You know it didn't go very far  
So my baby said to me  
You know my baby said to me You know my baby she said, "Sloppy"  
She said, "Sloppy", She said, "Sloppy"  
I think I missed the hole, hole, hole  
She said, "Sloppy", She said, "Sloppy", She said, "Sloppy"  
I think I missed the hole, hole, hole I saw my baby yesterday  
I saw my baby yesterday  
She spent her money on a car  
Spent her money on a brand new car I didn't get her very far  
You know it didn't go very far  
So my baby said to me  
You know my baby said to me  
You know my baby she said, "Sloppy"  
She said, "Sloppy", She said, "Sloppy"  
I think I missed the hole, hole, hole She said, "Sloppy", She said, "Sloppy", She said, "Sloppy"  
I think I missed the hole, hole, hole
