

# Cast No Shadow

## Oasis

Here's a thought for every man who tries to understand  
What is in his hands (What is in his hands)  
He walks along the open road of love and life  
Survivin' if he can (Survivin' if he can) Bound with all the weight of all the words he tried to say  
Chained to all the places that he never wished to stay  
Bound with all the weight of all the words he tried to say  
As he face the sun he cast no shadow As they took his soul they stole his pride  
As they took his soul they stole his pride  
As they took his soul they stole his pride  
As he face the sun he cast no shadow  
Here's a thought for every man who tries to understand  
What is in his hands (What is in his hands)  
He walks along the open road of love and life Survivin' if he can (Survivin' if he can)  
Bound with all the weight of all the words he tried to say  
Chained to all the places that he never wished to stay  
Bound with all the weight of all the words he tried to say  
As he face the sun he cast no shadow  
As they took his soul they stole his pride  
As they took his soul they stole his pride  
As they took his soul they stole his pride  
As they took his soul they stole his pride  
As he face the sun he cast no shadow  
As he face the sun he cast no shadow  
As he face the sun he cast no shadow  
As he face the sun he cast no shadow
