

# Life

## Boy George & Culture Club

There's a train at the station that's ready to leave  
And a perfect future just made for me  
I let this stranger walk into my life  
Stepped out of the darkness, back into the light  
I know I'm crazy, but just a little sane  
I get to take this ride again You give me hope, when I wake up  
To lift my head high and take what's mine  
We look for laughter, in the madness  
You give me hope, and you give me life Will you let me breathe now?  
While I find my truth  
If I love myself, don't mean I don't love you  
All of my chances are in my head  
Stepped out of the darkness, found out who I am  
I know I'm crazy, but just a little sane  
I get to take this ride again  
You give me hope, when I wake up  
To lift my head high and take what's mine  
We look for laughter, in the madness  
You give me hope, and you give me life Na na na na na na na  
Na na na na na na na na  
Na na na na na na na na  
You give me life  
Na na na na na na na na  
Na na na na na na na na  
Na na na na na na na You give me life  
When I don't who I am  
When I'm lost in you  
When I'm under the water (under the water)  
When I'm under the water  
I look to you, you know I do  
I look to you and the water has gone  
You give me hope, when I wake up  
To lift my head high and take what's mine  
We look for laughter, in the madness  
You give me hope, and you give me life Na na na na na na na  
Na na na na na na na na  
Na na na na na na na na  
You give me life Na na na na na na na na  
Na na na na na na na na  
Na na na na na na na na  
You give me life Na na na na na na na na  
Na na na na na na na na

Na na na na na na na  
You give me life
