

# She Just Wanna (feat. Ty Dolla \$ign)

## Lil Durk

Count up with a boss, I hope she's worth it, ooh yeah, ooh yeah  
She just wanna count up with a boss She know where I'm from, she wanna rep it now  
She just wanna count up with a boss  
I hope she's worth it  
I hope she's worth it, I hate wastin' time  
This the truth, I ain't got time for lies, no, no, no, no  
She just wanna, she just wanna love a thug  
I can't love you, sorry, I'm in love with money  
She just wanna, she just wanna love a thug  
But I can't love you, baby, I'm in love with money  
I do not fuck with no basic hoes  
Talk about bands, I play with those  
I got 'em, I got 'em, I got 'em, I got 'em  
Lil Durk is not chasin' hoes  
Bougie bitches my favorite hoes  
Louis up for my staple hoes  
All dick for unable hoes  
Sippin' lean with my maple hoes  
Montclair for the winter  
Balmain for the dinner  
I need twelve how I spend it  
Now you mad, Vic Mensa  
Ain't nobody perfect  
Bring her home to my mama now  
Ain't nobody worth it  
I am who they worship  
You ain't better than my worst shit  
What you tell them?  
And I like the way she work it  
What you tell them?  
Way that she twerkin'  
Lil mama, she good and she perfect  
I gave you my number, so work it  
She know where I'm from, she wanna rep it now  
She just wanna count up with a boss  
I hope she's worth it  
I hope she's worth it, I hate wastin' time  
This the truth, I ain't got time for lies, no, no, no, no  
She just wanna, she just wanna love a thug  
I can't love you, sorry, I'm in love with money  
She just wanna, she just wanna love a thug  
But I can't love you, baby, I'm in love with money I love my money too much

These bitches be on me too much  
Just copped me a foreign in two months  
They know Durk doin' too much  
Summer time, roof up  
Head like a tutor  
Off the molly, bood up  
Real nigga, fool none  
Basic is not an option  
Even when I was not poppin'  
Check the grammar, hot topic  
You reside here, thottie  
She real, she trill  
She don't get down, how she live  
She been through jail and all  
And shawty did not tell  
Ayy that's my baby, yeah she worth it  
That's my baby, yeah she worth it  
She know where I'm from, she wanna rep it now  
She just wanna count up with a boss  
I hope she's worth it  
I hope she's worth it, I hate wastin' time  
This the truth, I ain't got time for lies, no, no, no, no  
She just wanna, she just wanna love a thug  
I can't love you, sorry, I'm in love with money  
She just wanna, she just wanna love a thug  
But I can't love you, baby, I'm in love with money
