

Move to the Sound (feat. Hawkboy)

Afrojack & Laidback Luke

Move to the sound, move to the sound
Pick it up, get down, get down
Move to the sound, move to the sound
Pick it up, get down, get down
Move to the sound, move to the sound
Pick it up, get down, get down
Move to the sound, move to the sound
Pick it up, get down, get down
Move to the sound, move to the sound
Pick it up, get down, get down
Move to the sound, move to the sound
Pick it up, get down, get down
Move to the sound, move to the sound
Pick it up, get down, get down
Move to the sound, move to the sound
Let me see you jump around
Everybody get up
Get down now
Everybody get up
Let me see you jump around
Move to the sound, move to the sound
Pick it up, get down, get down
Move to the sound, move to the sound
Pick it up, get down, get down
Move to the sound, move to the sound
Pick it up, get down, get down
Move to the sound, move to the sound
Let me see you jump around
