

# Lust for Life (feat. The Weeknd)

Lana Del Rey

Climb up the H of the Hollywood sign, yeah  
In these stolen moments, the world is mine (duwop, duwop)  
There's nobody here, just us together (shuwop, shuwop)  
Keeping me hot like July forever 'Cause we're the masters of our own fate  
We're the captains of our own souls  
There's no way for us to come away  
'Cause boy we're gold, boy we're gold  
And I was like... Take off, take off  
Take off all your clothes  
Take off, take off  
Take off all your clothes  
Take off, take off  
Take off all of your clothes  
They say only the good die young  
That just ain't right  
'Cause we're having too much fun  
Too much fun tonight, yeah  
In a lust for life, in a lust for life  
In a lust for life, in a lust for life  
Keeps us alive, keeps us alive  
Keeps us alive, keeps us alive  
In a lust for life, in a lust for life  
In a lust for life, in a lust for life  
Keeps us alive, keeps us alive  
Keeps us alive, keeps us alive  
Then, we dance on the H of the Hollywood sign, yeah  
'Til we run out of breath, gotta dance 'til we die (duwop, duwop)  
My boyfriend's back and he's cooler than ever (shuwop, shuwop)  
There's no more night, blue skies forever 'Cause we're the masters of our own fate  
We're the captains of our own souls  
So there's no need for us to hesitate  
We're all alone, let's take control  
And I was like...  
Take off, take off  
Take off all your clothes  
Take off, take off  
Take off all your clothes  
Take off, take off  
Take off all of your clothes  
They say only the good die young  
That just ain't right  
'Cause we're having too much fun  
Too much fun tonight, yeah  
In a lust for life, in a lust for life

In a lust for life, in a lust for life  
Keeps us alive, keeps us alive  
Keeps us alive, keeps us alive  
In a lust for life, in a lust for life  
In a lust for life, in a lust for life  
Keeps us alive, keeps us alive  
Keeps us alive, keeps us aliveMy boyfriend's back, and he's cooler than ever  
There's no more night, blue skies forever  
I told you twice in our love letter  
There's no stopping now, green lights foreverIn a lust for life, in a lust for life  
In a lust for life, in a lust for life  
Keeps us alive, keeps us alive  
Keeps us alive, keeps us alive  
In a lust for life, in a lust for life  
In a lust for life, in a lust for life  
Keeps us alive, keeps us alive  
Keeps us alive, keeps us alive
