

# Bad Girl

## Danity Kane

In my reflection they  
Just keep on goin'  
Goin' and goin' Enraging red become [?]  
[?] in my directions  
My fuse is blowin'  
Blowin' and blowin' And now I'm smiling at you  
with these tears in my eyes I wish I wouldn't cry,  
Now you're smiling at me  
It's just fear in disguise  
you're not my type You know that daddy's girl  
will always get away with it  
Cuz you know that you daddy's girl  
will always get away so deal with it So give me your love  
All of your love  
Give me your love I want all of your love  
Cuz you know that daddy's girls  
never get enough of it...  
But don't you like it?  
You see me good now I like it ... now And now I'm taking over you  
with these tears in my eyes  
I wish I wouldn't cry  
Trying to get over me  
It's just fear in disguise  
You're not my type (You're not my type) Dawn  
You know that daddy's girl  
will always get away with it Cuz you know that you daddy's girl  
will always get away so deal with it (DK3) So give me your love  
All of your love  
Give me your love  
I want all of your love  
Cuz you know that daddy's girls  
never get enough of it I could just watch you faaalllll  
And I don't know why  
I don't why I'm gonna love you (I'm gonna love you)  
I can love you good (I can love you good)  
I'm gonna love you (I'm gonna love you)  
I can love you good (I can love you good) I'm gonna love you  
I can love you good  
I'm gonna love you  
I can love you good  
I'm gonna love ya
