

# No Slaves (feat. Anderson .Paak)

Knox Brown

Calling, calling, they sit you down  
Meeting after meeting they churn 'em out  
All in my head, all in my city  
Numerous ways to let you down  
I know, I know, I know, I know  
You can't touch a kettle, it's burning hot  
Always left alone and no one's ever home  
But only open up the door when opportunity knocks like...(Oh hey yeah)  
Oh we don't wanna be slaves, we don't wanna be slaves  
(Oh hey yeah)  
No, not gonna stand it, not gonna stand it  
(Oh hey yeah)  
Oh we don't wanna be slaves, we don't wanna be slaves  
(Oh hey yeah)  
No, not gonna stand it, not gonna stand it  
Oh I keep falling, falling, and falling down  
The meek shall rise above the ground  
All in my mind, all in my city  
Will find a million ways to drag you down  
I know, I know, I said I know  
Cause I've been told many times before  
Always left alone and no one's ever home  
But only open up the door when opportunity knocks like...(Oh hey yeah)  
Oh we don't wanna be slaves, we don't wanna be slaves  
(Oh hey yeah)  
No, not gonna stand it, not gonna stand it  
(Oh hey yeah)  
Oh we don't wanna be slaves, we don't wanna be slaves  
(Oh hey yeah)  
No, not gonna stand it, not gonna stand it  
You spent your whole life working a nine to five  
You put your dreams on hold for nickles and dimes  
Don't you remember what it was you wanted in life?  
Did you forget about the pennies you threw in the well wishing?  
Your grave shift would be over, you dying inside  
Oh you a slave to the rhythm, your body and mind prison  
Now how do you find freedom?  
You stuck in a bind needing  
A break from the mundane is something divine  
And we just wanna hear the misery  
Ain't it a shame what we do just to do to the assembly  
It can be so much better than what was given to me

Don't know how much more I can give 'em me  
Something gotta give for me to be  
I'm jumping off right into the sea We don't wanna be, we don't wanna be  
Look we don't wanna be no slaves, no, no  
We don't wanna be, we don't wanna be  
Look we don't wanna be no slaves, no, no  
We don't wanna be, we don't wanna be  
Look we don't wanna be no slaves, no
