## Just Like Heaven

## The Cure

"Show me, show me, how you do that trick The one that makes me scream," she said "The one that makes me laugh," she said And threw her arms around my neck"Show me how you do it, and I promise you I promise that I'll run away with you I'll run away with you" Spinning on that dizzy edgeI kissed her face and kissed her head And dreamed of all the different ways I had to make her glow "Why are you so far away?" she said "Why won't you ever know that I'm in love with you? That I'm in love with you?" You Soft and only You Lost and lonely You Strange as angels Dancing in the deepest oceans Twisting in the water You're just like a dream Just like a dream Daylight licked me into shapeI must have been asleep for days And moving lips to breathe her name I opened up my eyes And found myself aloneAlone Alone above a raging sea That stole the only girl I loved And drowned her deep inside of me You Soft and only You Lost and lonely You Just like heaven Song Discussions is protected by U.S. Patent 9401941.
