

# Where Do You Go

## No Mercy

Where do you go, my lovely  
Where do you go  
I wanna know, my lovely, I wanna know Where do you go, oh oh eh oh  
I wanna know, oh oh eh oh  
Where do you go, oh oh eh oh  
I wanna know... Where do you... where do you go  
Where do you... where do you go  
You leave without a word, no message, no number And now my head is pounding like rolling  
thunder  
You left me with a heartache deep inside  
Girl you should see me cry all night, and I wonder  
Everybody says, what a shame, what is wrong  
They don't like the game we play  
Heard you're hanging round every night until dawn  
I'm waiting for you night and day Where do you go, my lovely  
Where do you go  
I wanna know, my lovely, I wanna know  
Where do you go, oh oh eh oh I wanna know, oh oh eh oh  
Where do you go, oh oh eh oh...  
I wanna know...  
You gotta break the silence, don't keep me waiting Just like a river flowing to the sea  
You're running back to me Come hear what I'm saying  
Where do you go, My Lovely  
I wanna know  
Where do you go, oh oh oh...  
Where do you go, oh oh oh... I wanna know Na na na na nida, na na nida da da dee da Where do  
you, where do you go?...  
Save me...  
Come back and dry the tears, I cried for you baby  
You've gotta stop this heartache deep inside  
You've gotta help me make it through the night safely  
Come back and save me  
Where do you go, my lovely  
Where do you go  
I wanna know, my lovely, I wanna know  
Where do you go, my lovely  
Where do you go...  
I wanna know...  
Na na na na nida na na nida da da dee da Where do you, where do you go...
