

# GREAT NIGHT (feat. Shovels & Rope)

## NEEDTOBREATHE

My heart is leading and I'm under attack  
Don't need a cure cause I don't wanna go back  
I'm givin' in, ain't no fighting this fire I got this fever, fever burning inside  
I got this fever, fever getting me high Let's have a great night on the dance floor  
I'll be the cowboy on the white horse  
And if we don't drown when we're swimming ashore  
I'll be the first in line to get us some more I got some money burning holes in my pants  
And I've been wearing down the bones in my hands  
I'm getting off here, yeah, I got me some plans  
I got this fever, fever burning inside  
I got this fever, fever getting me high Let's have a great night on the dance floor  
I'll be the cowboy on the white horse  
And if we don't drown when we're swimming ashore  
I'll be the first in line to get us some more Oh, all the rules need breaking  
And I need time for wasting  
Before I lose my mind  
Oh, tonight, we'll all be outlaws  
Take what we want and then ride off  
Tonight, we'll feel alive I got this fever, fever burning inside  
I got this fever, fever getting me high  
I got this fever, fever burning inside  
I got this fever, fever getting me high  
Let's have a great night on the dance floor  
I'll be the cowboy on the white horse  
And if we don't drown when we're swimming ashore  
I'll be the first in line to get us some more  
Let's have a great night on the dance floor  
I'll be the cowboy on the white horse  
And if we don't drown when we're swimming ashore  
I'll be the first in line to get us some more
